PARTS FOR AIROSETTER

**L&R unit
(Lift and Release unit)**
531107

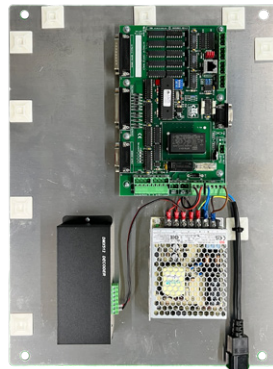

**Check valve for L&R
unit (pre-assembled)**
541114

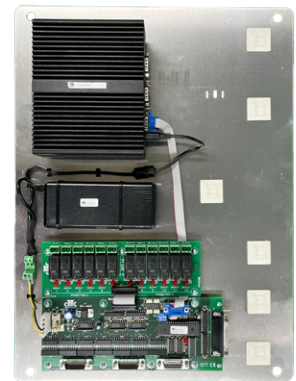

**Pin L&R unit standard
spring**
601102

**Pin L&R unit short
special spring pin 7+10
(league only)**
601103

**Control baseplate with
power supply & RGBW
controller**
551112

**Lane scoring baseplate
with scoring computer
& I/O interface boards**
551122

**Control panel + UTP
cable**
551124

**Air reducing valve for
airOsetter
(pre-assembled)**
541110

T-connector 10.10.10
541129

**Angle connector
10.10.**
541130

**T-connector 1/8.10.10
for air reducing valve**
541131

**Main air switch
10.10.**
541132

Manifold 5x6
541133

Safety screen right
521305

Safety screen left
521307

Safety screen top
521306

**Butterfly bolt for safety
screen**
521312

Pin centre ring
521308

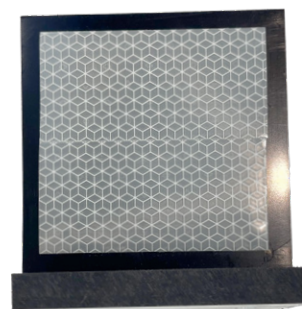

Ball sensor type A

68520018

Ball sensor type B

68520019

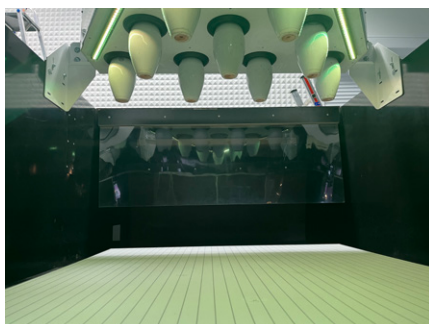

Ball sensor reflector

68520020

Ball sensor mounting bracket

68520021

Cushion mat front

68520022

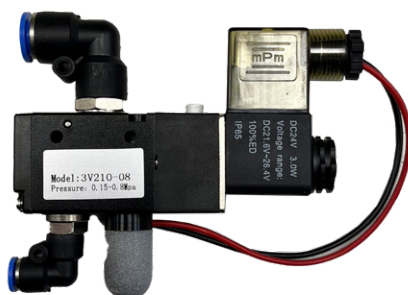

Cushion mat back

68520023

Cushion holder

68520024

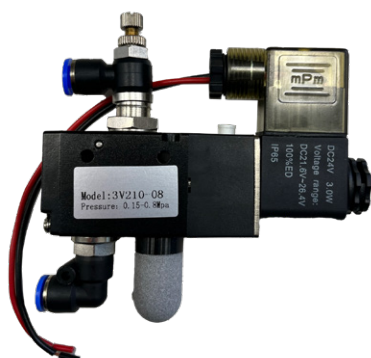

Electrical pneumatic valve for airOsetter (pre-assembled)

541140

Sweep complete

561004

Electrical pneumatic valve for sweep (pre-assembled)

541142

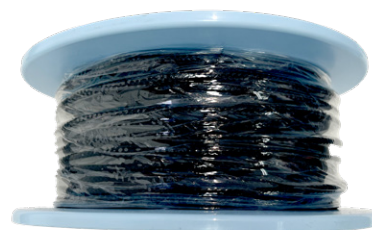

Sweep sticker A

68520026

Sweep sticker B

68520027

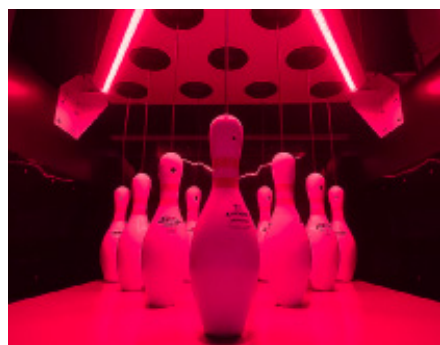

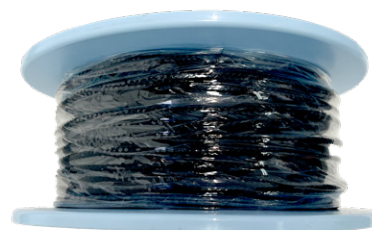

Pneumatec cilinder for sweep stroke 200mm

541113

Special NGT airOstring 50 m

68520030

LED pin lighting

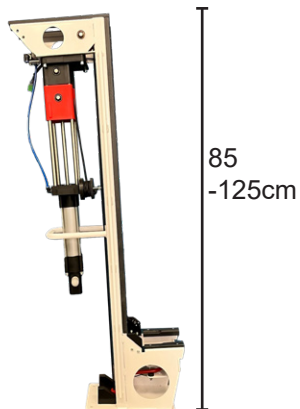

68520031

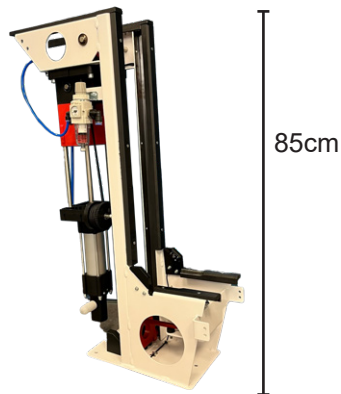

Cover cap for LED - connection

521313

PARTS FOR AIROVATOR + LIFT

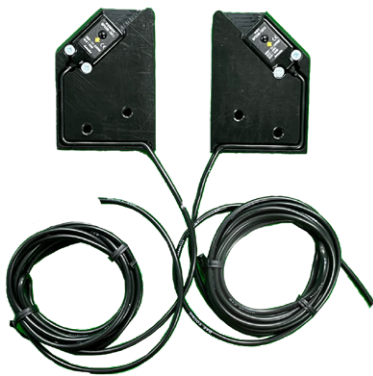

**airOvator 85 or 125cm
(machine side)**
531102

**airOlift 85cm
(front of bowling lane)**
531103

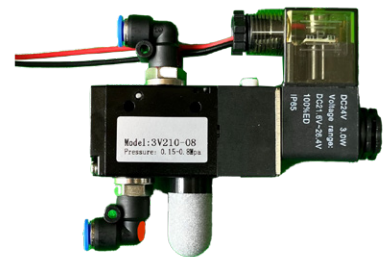

airOvator lift fork
601104

**IR sensor switch for
airOlift & airOvator**
551113

**Air reducing valve for
airOvator
(pre-assembled)**
541111

**Electrical pneumatic
valve for airOlift & air-
Ovator (pre-assembled)**
541141

**Timer box airOvator
125 cm**
551130

**Timer box airOlift &
airOvator 85 cm**
551131

Spring switch

551107

**airOvator L&R unit
125cm**

531108

**airOvator & airOlift L&R
unit 85cm**

531109

**Brake rubber for
ball brake unit**

591101

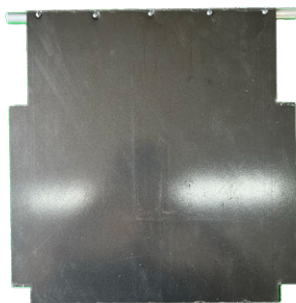

**Oil pressure damper for
ball brake unit
(pre-assembled)**

591102

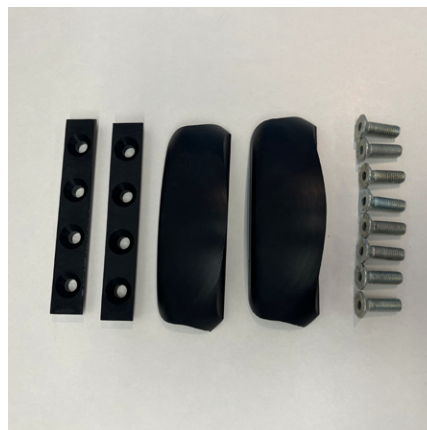

**Air reducing valve for
airOlift (pre assembled)**

541109

Protective guard

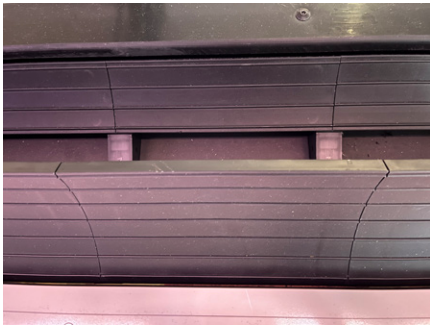

521111

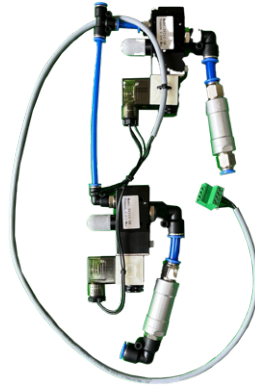

**Ball separator kit for
ball rack**

521309

PARTS FOR AIROBUMPER

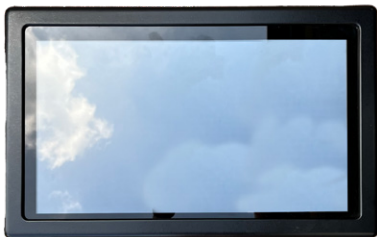

**Bumper rail standard
2 meter**
531124

**Bumper valves incl.
check valves
complete assembled**
541143

HARDWARE

**Touch screen for
scoring console**
511112

Dual Qwerty keyboard
551116

**Keyboard transfer for
Qwerty keyboard**
551117

Counter PC
68520055

Keyboard transfer (old)
51000028

**Qwerty keyboard left or
right complete**
551114 (L) - 551115(R)

PARTS FOR COMPRESSOR

Compressor 5,5 HP

541101

Compressor 7,5 HP

541102

**On / Off switch
compressor**

541096

**Air reducing valve +
manometer**

541134

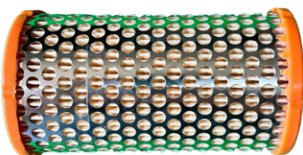

V-Belt 5,5 HP

591108

V-Belt 7,5 HP

591109

Air filter

541116

Mineral oil

541112

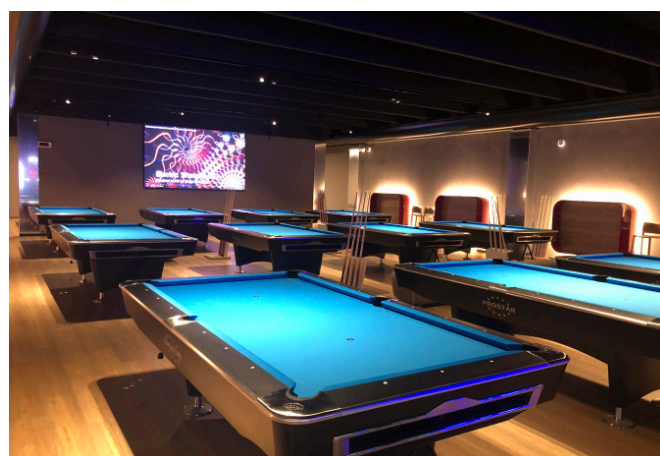

Air dryer

541103
